

THE PRESIDENT
OF THE
GENERAL ASSEMBLY

10 September 2015

Excellency,

Further to my letter of 1 September 2015 on non-governmental organizations (NGOs) that are not in consultative status with the Economic and Social Council which applied to participate in the Summit for the adoption of the post-2015 development agenda, to be held on 25-27 September 2015, I have the pleasure to transmit herewith the final list of NGOs that have been approved for accreditation.

I would like inform you that two Member States objected to the proposed participation of five NGOs on the list forwarded earlier. The general basis for the objections was that some of the activities of those organizations were not in conformity with the spirit, purposes and principles of the Charter of the United Nations. In accordance with resolution 69/244, the five organizations have not been included in the final list.

Please accept, Excellency, the assurances of my highest consideration.
